Community Mental Health Center

Community Mental Health Centers

Mental Health services for the Division of Behavioral Health (DBH) are accessed through 25 service areas, with each service area serving particular counties of the state. Community Mental Health Centers and/or Affiliates are responsible for providing these services. These agencies determine a person's eligibility for services and provide those services. A listing of the Community Mental Health Centers is given below. To locate the region your county is in, click on your county from the list below.
